Dear Parents and Caregivers,

Welcome to Week 5. Yesterday we were set to form new classes after many hours of careful consideration and reorganisation. Just as this was about to happen we received a new enrolment, and we had already received a new child the day before. The new enrolment yesterday will commence on Monday and provided our numbers stay constant all of next week we will be able to maintain 31 classes. We are hoping that this will be the case and that we can now continue with our current arrangements.

I promised in last week’s newsletter to address some of the concerns raised in your surveys. This week I’d like to discuss our playground. There are many initiatives in the pipeline. We are currently establishing a grounds committee with staff, parents and children to look at how we can further develop our playground and the school grounds in general. I hope that you are noticing that there has been a considerable amount of effort in recent months to improve our grounds. The P&C are working with us to raise funds and we have had some donations and grants to help also. We are looking at different types of fixed equipment to install. We have created some passive areas and we are dividing play areas for different age groups. We also have introduced lunchtime sports competitions and clubs such as the Lego Club. Children are also involved in extra curricular activities at these times. A structured play program is also being developed.

We had a working bee last term on a Sunday, where a few families worked hard to improve one area of the school. All of these projects take time and money. If we continue to work together I’m sure that our children will reap the benefits. If you are interested in helping with these projects and would like to be on our new committee please don’t hesitate to contact me.

Congratulations to Bradley in Year 6 who this week was selected in a NSW Oz Tag team. We are very pleased for you Bradley. Well done!

We had planned to have our first Care, Believe, Succeed assembly tomorrow but the weather forecast is for storms, so we are postponing this event until next Friday, 8th March.

Over the next few weeks you will hear a lot in the media about the Gonski Review. The Federation of P&C’s, and all major principals groups as well as the teachers Federation support the findings of this review, and if it is implemented our children will receive a much deserved increase to the funding of their education. I urge you to take an interest in the process and let your members of parliament know your feelings on the matter.

My thought for the week is from Marianne Williamson, ‘The purpose of our lives is to give birth to the best which is within us.’

Have a great week.

Yours faithfully,
Andrew Best

Voluntary School Contributions

Voluntary school contributions of $43 per child or $65 per family are now being accepted by the school office. As the money goes towards stocking our library, any contribution received will be recognised by a name plate inside one of the library’s new books.

To have your child recognised for his/her school contribution, any money received by the end of Term 2 will automatically result in a book donated in your child’s name. Your child will select the book of their choice and be given the privilege of being the first person to borrow the book from the library.

Thank you for your voluntary support of the school.

**Getting Ready For School Photographs**

The school will be having class photos taken over two days on **4th-5th March**. All school photographs are pre-paid and payment must be received before the photo day (Thursday 28th February) to help with the overall organisation. Please remember to put each child’s payment in their separate envelope or write which of your children’s envelope the payment is enclosed in if combining payments.

All children must be in **summer school uniform** to maintain uniformity in the students’ appearance (school dress or school polo shirt/short/skort, all-white socks (girls): polo shirt and navy shorts, navy socks (boys) & **black school shoes** for all children. Hair ribbons in navy, jade and/or white are very welcome but other hair adornments including floral head pieces detract from the photo and are unacceptable. If your child needs their summer school uniform refreshed now is the time to get organised. The uniform shop is open on Tuesday mornings and Thursday afternoons.

Family photographs of siblings in the school require a request for a payment envelope to be completed and handed in at the office. A special envelope will then be passed on to your child/ren. Please note that family photos will be taken **before school from 8:00am** or during lunch over the two days of photography. Family photos do not include preschool children or toddlers.

**Scripture**

The commencement of Scripture was delayed again this week but it will definitely begin next week on **Wednesday 6th March**.

This year the P&C will be holding various fundraising events. Our major focus for the year will be to improve our school playground. We would like to book another basketball court and provide some picnic table seating with shelters. In order to achieve these goals, we will need support from the local school community.

Our first fundraiser for the year is a Family Bush Dance. We have booked a live band called ‘Coachwood’ who will not only play some great music but will teach us the moves as well. This is to be held on Friday 6th April, with a BBQ from 5:30pm to 8:30pm.

The cost for the event will be:
- Family (2 adults and up to 4 children) = $20
- Adult = $8
- Child = $4

This will be a fun event and a great way to start the year.

Bring your family and friends! There will be many exciting prizes to be won on the night.

A separate note will be coming home soon with all of the details and how to pay for your tickets.

If you are able to help out with donations of any prizes for this event, please email the P&C at hpsscond@yahoo.com.au.

P&C Meeting next Tuesday 5th March at 7pm in the staffroom. This is our AGM and all positions will be declared vacant. Everyone welcome. Hope to see you there!

Preparations are well under way for National Ride2School Day on Friday 22nd March. Last year we had a tremendous response. This year we would like to go even further and have more students and parents celebrate riding, scooting and walking as fun ways to travel to school. Imagine one day with no cars around the school!

We support our students to walk or wheel to school because:
- Students feel fresh and alert at the beginning of a school day.
- There are fewer cars around the school which eases ‘drop off congestion’.
- Students are more likely to reach the recommended 60 minutes of physical activity they need each day.
- Students feel happier, healthier and perform better in the classroom.

Should you let your reluctant teen reader choose magazines over books? If your child is still struggling to read and write, and they’re heading into high school, there are ways to get them on the right page.
