Dear Parents and Caregivers,

Welcome to Week 11. Thanks to everyone who supported our Bush Dance last Friday night. It was a great success. It was really good to see the community coming together to have fun. The music and dancing were both good and there were many people who won some fantastic prizes on the night. Thanks to the P&C for their hard work and support in making the night one to remember.

Next term commences with two, not one pupil free days. The department have given an extra training day for teachers this year because of the introduction of the new Australian Curriculum. Teachers will be involved in training on the Monday and Tuesday and children will return to school on Wednesday, 1st May.

The mufti day yesterday raised $725.75 for the Kids of Macarthur Charity. Mr Woudsma and I will present the cheque this afternoon at a teacher charity fundraiser for schools across the area.

Camp last week was a great success. I received emails from principals of both Environmental Education Centres praising our students and their efforts. Children were taken out of their comfort zones in many different situations and rose to the many challenges that they were presented with. Well done! Thanks also to the teachers who gave up time with their own families to take the children on camp.

Last week three of our students represented Macarthur at the State Under 11’s Softball Championships. Hannah T and Abbey H were in the girls team which placed 5th in NSW and Adam M was in the boys team that were runners up in the final. Well done to all three students. Congratulations on a great effort.

Congratulations to all of the Year 6 students who stood for parliament this week. A full list of all parliamentary members will be in our next newsletter.

My thought for the week is from Ambrose Redmoon, ‘Courage is not the absence of fear, but rather the judgement that something else is more important than fear.’

Have a great holiday.

Yours faithfully,

Andrew Best

---

ANZAC DAY MARCH

Over the past three years children from Harrington Park PS have participated in the Camden RSL’s ANZAC Day March. The P&C will make the arrangements for participation this year on Thursday 25th April if there are enough students and parents who are willing to attend. Children will be required to wear their full school uniform including school hat and jacket on the day.

Please complete the expression of interest form attached to help the school determine numbers and make the necessary arrangements.

Students will be participating in the Camden Community ANZAC Day March. Students and parents are asked to meet Mrs De Rooy at 10:10am in Elizabeth Street. (down from the Merino Hotel on the corner of Argyle Street). The march which commences at 10:30am will move along Argyle Street and conclude in the Bicentennial Equestrian Park where a community commemorative service will be held afterwards. The students will lay a wreath during the service on behalf of the school community. Full school uniform including school hat is to be worn. Parents can meet up with their children in the park at the end of the proceedings.

We welcome parents to join us on 12th April 2013, at 12:45pm for our ANZAC Day Service as we honour those people who have served Australia during times of war. Children are asked to bring flowers from their gardens on this day to be combined in floral tributes which will be displayed during the service. These floral wreaths and tributes will then be placed on the Camden War Memorial by our school captains following our school service.

Children who are members of community service groups including cubs, scouts, brownies, girl guides, air league, etc are permitted to proudly wear their service uniforms to school on the day.

Harrington Park Public School's Website has had a makeover

**Easter Hat Parade**

On Thursday 28th March, Harrington Park Public School celebrated the beginning of the Easter break with our annual Easter Hat Parade. Students from Kindergarten to Year 2 proudly displayed a variety of festive head wear. It was lovely to see so many smiling faces; kids, parents and grandparents alike.

A big thank you to the P&C for organising the Easter raffle and to all community members who donated Easter chocolates to make so many prizes possible.

_Easter Hat Parade Committee_

---

**Voluntary School Contributions**

Voluntary school contributions of $43 per child or $65 per family are now being accepted by the school office. As the money goes towards stocking our library, any contribution received will be recognised by a name plate inside one of the library’s new books.

To have your child recognised for his/her school contribution, any money received by the end of Term 2 will automatically result in a book donated in your child’s name. Your child will select the book of their choice and be given the privilege of being the first person to borrow the book from the library.

Thank you for your voluntary support of the school.
The Active After-School Communities is an Australian Government funded program run by the Australian Sports Commission. At Harrington Park Public School we have the opportunity to be involved in this free program. It is aimed at children with little or no involvement in sport in or out of school and it is these children who will be given priority to be involved in the program. Many children have already taken up the opportunity in Term 1, those who missed out or who are interested in the activities below, please fill in the form that was sent home with your child.

The program allows the teaching of basic skills and enjoyment of a variety of games, based on popular sports to increase children’s activity and fitness. A qualified coach will run each session and a school teacher will be supervising. The program was quite popular in Term 1 and will be delivered once again at our school from 3:00pm to 4:20pm each Tuesday OR Thursday afternoon for 7 weeks in Term 2.

A free nutritious afternoon tea is included with each session.

YEARS 1-2 ONLY

Tuesdays - Futsal (indoor soccer) 3:00pm-4:20pm
Beginning in Week 2, 7th May and running for 7 weeks.

YEARS 3-6 ONLY

Thursdays - Basketball 3:00pm-4:20pm
Beginning in Week 2, 9th May and running for 7 weeks.

If you feel your child should be considered for this program, please return the permission slip which was sent home with you child by Friday 3rd May. Students will be accepted on suitability basis and successful students will be notified by Monday 6th May.

Mrs Creasey

As you may be aware, the Woolworths Earn and Learn program has begun again for 2013. For every $10 spent in a Woolworths store you will receive a sticker. These stickers can be placed on a sticker card and placed in a collection box located in the school foyer area or in the Harrington Park Public School box located in the Mt Annan store.

Last year we earned over 35,000 points and the school received valuable classroom resources. It is hoped that in 2013 we can earn even more points to receive more resources for the school.

Sticker cards are available at all Woolworths stores.

MONDAY - THURSDAY
8:30AM TO 3:15PM

FRIDAY
9:00AM TO 3:15PM

On Monday the Girls Cricket State Knockout team played their first match of the competition against Camden South. We bowled first and Camden South made 6 for 69 from their 25 overs. This was an excellent bowling effort for our first game. Helena T and Kirsty I took two wickets each and Jorja U and Paige E took one each. Our fielding was also good and Lara R did a great job as wicketkeeper.

So the target was 70 to win and our openers, Jorja (9 runs) and Karley M got us off to a great start. Then some very good batting by Helena (12 not out) and Hannah E took us past Camden’s total with 7 overs to spare. Our final total was 3 for 82.

This was a very good performance by the girls in their first game. Because we have also had a bye and a forfeit we are already through to the fourth round and will play a team from the Sydney West region later in the year.

Thank you to Mr Quirk and Mrs Davis for their help at training so far.

Last Thursday all of Year 1 went to Trainworks. We went because it was our excursion.

First we had our fruit break. Next we went to find our teachers. After that we got to see some trains. We got to see a black train, the train where Queen Elizabeth lived, then the prison van. After that we went inside to get our lunch. Then when we ate our lunch, we got to play in the playground. Finally we got to go to the airport and eat our recess.

We had a lot of fun.

By Erin S and Ben K - 1/2J
Day 1
Before getting to Jervis Bay everyone had to pass a snorkelling test at Bradbury Pools. We got on the bus (our driver was Mr Trench who is also our snorkelling instructor) at about 9:20am. We arrived at 9:50am and sat down for a minute or two. Eventually the first test begun. This test was hard, for others it was easy. The next and final test was treading water for 10 minutes! The key for this test was to forget what you are doing and just talk and before you knew it you were done. Thankfully the tests were over and we had lunch. After lunch we needed to find our gear. They had to be a perfect fit. The equipment required for snorkelling were a wet suit, mask and snorkel and fins/flippers. Once everyone had the perfect fit we played some games. The first game we played was 'racing' from the deep end to half way. That was fun! The second game was 'find the snorkels'. The aim of this was to find as many snorkels as you can under the water! Unfortunately all the fun of the day was over but day 2 was coming. So we went back on the bus and left for home.

Day 2
We arrived at school at normal time but left at 9:20am. The bus driver was yet again Mr Trench and our trailer driver was Mr Matthews (another snorkelling instructor). The bus trip was long and boring but we all survived the trip well until we reached Kiama for a lunch stop. Once our food stop was over we all hopped back on the bus and moved on right to Jervis Bay (woo-hoo). After arriving at Jervis Bay we had to set up camp on a not so good campsite when its raining unfortunately for us. The boys down the bottom had to deal with all the rain water coming down on them and their tent was wet and the boys next to them were 3 centimetres under water. When camp was set up we retrieved our wet suits and got told to change into them as we were about to go snorkelling. When everyone was in their wetsuit, we got our fins and mask and walked to the beach. It was a 0.2km walk from the campsite to the beach and it was a very interesting walk as well. Once at the beach, Mr Trench made up our groups from 1 to 3. Group one got everything on and started walking into the water and followed Mr Trench. After group 1 came out, group 2 went in then a while after that, group 3 went in. Here are the marine animals we spotted: female gropers (large and are the colour of olives), sea urchin that some people held and believe it or not they can walk, stingray, a school of medium sized silver fish, tonnes and tonnes of these black and white striped fish with yellow tails that were extremely fat and a lot of coral. If you think this is good just wait until day 3. We walked back for fruit then about 10 minutes later we had dinner under the gazebos. On the menu was lettuce, cucumber, tomato, pasta salad, sausages and steak. Dinner was yum! Everyone headed for the showers then we took a walk across the beach with Mr Gawthorne that would lead us to the new navy base in the A.C.T. We all walked right into the A.C.T. then played catch on the way back. Our group made it back to camp then we were told to get our torches and a raincoat as we were going out to watch a slideshow on the fish we saw and might see. They talked about mullets, wobbegongs, stingray and many more fish.

Day 3
We woke up and decided to talk for a bit then came out to breakfast. On the menu was cereal and toast. When we had all had our fill we had to get our snorkelling gear as this was our last snorkel. Today we were at Murray’s Beach which was much better than that other beach but the walk was longer but we drove instead, 0.3km. The reason Murray’s Beach was better was because the sand was softer and the water was like a gigantic heated indoor pool. It was lovely. This time the groups were mixed up so the others had a chance to go first and the last group could stay on the beautiful white sand and play. This time the groups saw: 4 female gropers, 1 male groper (he was dark blue and very big), 2 metre long stingray, one group held a brital star and more sea urchins, a school of small shiny silverfish, butterfly fish, angel fish and lots of mullets. Mr Trench was trying to find a wobbegong for us but unfortunately we didn’t. Our snorkelling time was over and we had to give in our gear to Mr Matthews and Mr Trench. We hopped back on the bus and rode off to the campsite for pack up, showers and lunch. This took about 30 minutes. Our time was over and we got on the bus ready to go.

Year 5 get ready, you are going to enjoy Jervis Bay in 2014.

ANZAC DAY MARCH

CHILD’S NAME: ________________________________  CLASS: ______

I wish to have my child participate in the Camden RSL’s ANZAC Day Parade on Thursday 25th April 2013, being held at the Camden War Memorial and along Camden’s main street. I understand my child is required to wear his/her school uniform, school jacket and school hat.

I can be contacted on _________________ (Home) or ________________ (Mobile) prior to ANZAC Day to confirm organisational details, including meeting time and place.
