Dear Parents and Caregivers,

Welcome to Week 4. It is good to see some rain today. Hopefully it will have softened the ground for 3D as they attend a planting project for the Cumberland Forest. I am accompanying Mr Martin and his class on the worthy project.

You will have no doubt seen our new sign by now. Thank you to last year’s Year 6 and the P&C for this great addition to our school.

Next week Camden Council will be conducting a Traffic and Road Safety Education Program in Harrington Park. They will be here on Monday with signage relating to correct road and parking rules. On Tuesday they will be here again issuing reminders, and on Wednesday infringements will be issued to people who are not obeying the rules. There has been an increased police presence in our neighbourhood to encourage safety on the roads to protect our children. The council are working in collaboration with the police to further this cause.

We have Walk to School Safely Day tomorrow. This is an opportunity to leave the car at home if possible and experience a walk to school. It’s good for our health and the environment. Please support this program if you can.

Our debating team were narrowly defeated by Currans Hill PS this week. Congratulations to Currans Hill and well done to our team. Mr Woudsma assures me that you did very well and that it was a close result.

This week Miss Camenzuli and Mrs Scherer presented a professional learning program to other teachers in the Macarthur region. This program received excellent evaluations and was a great affirmation of the wonderful work that is happening here in Literacy education. Congratulations to both teachers on a job well done.

My thought for the week is from John F. Kennedy, “Americans will reach the moon by standing on each other’s shoulders”.

Have a great week.

Yours faithfully,
Andrew Best

**Year 5 IMAX Excursion**

Year 5 IMAX excursion payment of $32 is due by Tuesday 11th June, 2013.

---

As you may be aware, the Woolworths Earn and Learn program has begun again for 2013. For every $10 spent in a Woolworths store you will receive a sticker. These stickers can be placed on a sticker card and placed in a collection box located in the school foyer area or in the Harrington Park Public School box located in the Mt Annan store.

Last year we earned over 35,000 points and the school received valuable classroom resources. It is hoped that in 2013 we can earn even more points to receive more resources for the school.

Sticker cards are available at all Woolworths stores.

---

**Student Banking**

Student bank books should be sent to the office each Wednesday morning and will be returned to the classroom the following day.
