ATHLETICS CARNIVAL

Our annual Athletics Carnival is on tomorrow, Friday 21st June.

We invite all families to come and enjoy the day with us. There will be a sausage sizzle run by Year 6 with proceeds going towards the Year 6 Fundraising and a gift to the school.

Cost:
- $3 - Sausage Sandwich & Drink (juice popper)
- $2 - Sausage Sandwich
- $1 - Drink (juice popper)

Students are encouraged to wear their house colours and bring flags, mascots etc, to add to the carnival atmosphere of the day. Don’t forget your hat and joggers.

800m Event

This year our 800m event for Years 2-6 will be held after the carnival on Tuesday 25th June. A special addition to this event will be our first ever school relay race. We will be running a 4 x 100m relay around the oval as a final event. Each house: Bradman, Fairfax, Freeman and Macarthur will enter the two fastest male and 2 fastest female runners (taken from the 100m event on carnival day). This event will also feature a HPPS staff team of 2 male and 2 female teachers to add more excitement to the race. We hope you can share in this afternoon from about 1:30pm to cheer the runners on!

Dear Parents and Caregivers,

Welcome to Week 8. Yesterday Kindergarten enjoyed a wonderful day at the farm. I enjoyed hearing about it from one or two excited children at the end of the day. It is very beneficial for children to have such experiences and to discover where our natural resources come from. It is a start to the wonderful journey of discovery about the world in which we live. These experiences become more broad ranging as students get older. Last week Mr Martin and I met with people from Indonesia and India to commence work on a program which will connect our students with children from these countries. The wonders of technology are making communication much easier and we are excited by the possibilities that this program may bring.

Let’s hope that tomorrow brings fine weather for our athletics carnival. It was a shame to have to postpone last week, but the grounds really were too wet.

I hope that many of you get to support the P&C Movie Night on Tuesday. It is a fun and innovative way to raise funds for our children. Whilst on the topic of fundraising I mentioned that the school parliament decided to have a fundraiser to support the Plummer family. They will be holding a mufti day on Wednesday and are asking everyone to wear blue in honour of Mr Plummer who was a policeman. Blue is also a good colour for Wednesday as it’s the second state of origin match. People are asked to make a gold coin donation on the day. Families wishing to make larger donations may wish to deliver them to the school office so that they don’t get lost. Mrs Plummer was very grateful when she heard of the children’s kindness through this initiative. We are hoping that she will be back with us next term.

My thought for the week is from Aristotle who said, ‘We are what we repeatedly do. Excellence, then, is not an act, but a habit.’ Have a great week.

Yours faithfully,
Andrew Best

Thank you.

Last Wednesday we had Rachel Spratt visit with her puppet “Nanny Piggins” to share her journey as a writer. The students were given the opportunity to ask questions and were delighted to meet the central character of her books.

“Nanny Piggins is a really funny character” (Cody - Yr 5)

“Rachel Spratt writes comedy for TV and she’s really funny to listen to” (Hannah - Yr 4)

“I’ve started reading “The Adventures of Nanny Piggins” and it is quite adventurous and exciting. I can’t wait to read what’s going to happen next” (Teri - Yr 3)
Voluntary school contributions of $43 per child or $65 per family are now being accepted by the school office. As the money goes towards stocking our library, any contribution received will be recognised by a name plate inside one of the library’s new books.

To have your child recognised for his/her school contribution, any money received by **the end of Term 2** will automatically result in a book donated in your child’s name. Your child will select the book of their choice and be given the privilege of being the first person to borrow the book from the library.

Thank you for your voluntary support of the school.

**3C's Masterpieces**

3C have been using charcoal to complete directed drawings from the website Art.Hub. Here are some of their masterpieces.

---

3C did symmetry the other day and I like doing symmetry. We did some art on the website the art hub. We have drawn a panda and a tree. We drew the pictures with charcoal.

For the art show we are doing Roald Dahl. Yesterday we painted shoe boxes black.

Miss Carter lets us have golden time every Friday afternoon. Bailey and Jayden do a drawing club.

Miss Carter taught us 2D shapes. We did some work on it in the morning.

Miss Carter some time’s let us do a lot of fun activities. We have a lot of fun in 3C. We do a lot of work.

I like being in Year 3 because you get to have a try of Naplan to see if its scary or not.

The best part of the year was having the best teacher.

This year we have done art, mathematics, spelling and many more things.

First we started doing writing and handwriting. It was good learning how to do exits and the class loved it.

Secondly we started doing art. We did trees, pandas and dragons.

After that we started doing mathematics, spelling and HSIE and science. We love science and mathematics.

Finally we started doing our art show. We started painting it was fun. The class loves the art show.

The best part of the year was doing the art show.
