Dear Parents and Caregivers,

Welcome to Term 3. We have lots to look forward to over the coming weeks. Education Week is in Week 3 and we are busy with plans for the Art Exhibition, Open day and 2567 Showcase.

Robotics started yesterday for 30 lucky students in Years 5 and 6. We hope that this trial leads to further programs in the future.

Mrs Batty's dance group gained a place in the State Dance Festival, which is a tremendous achievement. We also have our recorder group and choirs rehearsing for concerts at state level.

We are very pleased to have been accepted in the Leading 21st Century Schools Program—Engaging with Asia. Mr Woudsma will travel to Melbourne later this term to take part in a conference to launch this year’s program. This is an exciting initiative which should lead to many opportunities for our children.

I met with a representative from Camden Council yesterday to discuss plans for making our Kiss and Drop Zone at the front of the school safer. We will be painting a Yellow Zone similar to railway platforms to keep children away from the road edge until cars are fully stationary. I will include more details in next week's newsletter, including details for a competition for our children to design a slogan and sign for the zone.

We welcome back Mrs Plummer this term. She is returning part-time for the rest of this year and we were all pleased to have her back with us at the start of the week.

Good luck to everyone competing in the 800 metres tomorrow and best wishes to our cross country runners at the state carnival. We will bring you news of efforts after the event.

Our debating teams performed well against tough competition yesterday. They didn't win, but can be very proud of their efforts.

My thought for the week this week is from Neil Postman, 'Our children are the messages that we send to a future that we will never see.' I hope that message is that we cared.

Have a great week.

Yours faithfully,
Andrew Best

INDIGENOUS GAMES
As part of our NAIDOC Week activities, all classes from Kindergarten to Year 6 will be taking part in a Traditional Indigenous Games program next Monday and Tuesday.

This program provides the opportunity to learn about, appreciate and experience aspects of indigenous culture. It incorporates the school curriculum with cultural traditions in a series of fun, safe and inclusive games, and provides an insight into the origins of traditional games, whilst also teaching basic sport and game skills. There will be no cost to parents for this activity.
Congratulations to the following students who were recognised at their stage assemblies for their recent efforts.

A number of families are taking holidays outside the regular school holidays. It is important to understand that under the Education Act 1990 children need permission from the principal in order to take leave from school which is compulsory for children 6 years and over. Applications for school exemption must be made in writing to the principal and such applications may include domestic purposes such as family holidays. The principal then needs to be assured that a program of school work will be covered during the child’s absence.

If parents are considering a family holiday they are requested to come to the school office and seek an Exemption from School application. The application needs to be completed and returned to the principal, Mr Best, who will contact you regarding the granting of permission and the necessary support learning program. When an exemption from school has been approved the days of absence are recorded differently on the child’s attendance record as opposed to sick or other minor leave days.

We ask that parents comply with this process to ensure that the school is following its legal obligation to provide the highest quality education. Your support is greatly appreciated.

**Debating News**

Congratulations to both of the debating teams with their debate against the St Andrews teams yesterday. Even the Adjudicator said it was close!

The first debate was the ‘Harrington Park Sharks’ against the ‘St Andrews Blues’ with the topic that we should change the Australian flag. St Andrews barely beat us unfortunately.

The second debate was the ‘Harrington Park Eels’ against St Andrews again with the topic that we should ban kids under 18 from modelling. Sadly they beat us again but the adjudicator literally said “it was only by a few words”.

**Debating Report**

On the 17th July, Harrington Park Eels went up against St Andrews in the third round of the Premier’s Debating Challenge. The topic was that ‘Australia should ban modelling for people under the age of 18’. Harrington Park was the negative team and St Andrew’s was the affirmative.

We all met up and with the flip of a coin, decided on a topic. We then went to our prep rooms to prepare for our debate. We had one hour. Harrington Park went really well. We had 6 brilliant arguments in 10 minutes and instantly thought of our team line; ‘Fulfil your dreams and become a star’. Unfortunately, we didn’t fulfil our dreams and lost the debate. The adjudicator said it was the closest debate he had ever judged.
